FOR the benefit of readers of this booklet a brief description of Evesham is given below :

Evesham has frequently been referred to as the "Garden of England", the main industry of the town being market gardening. There are many places of historical interest to visit, viz. the Bell Tower built 1536, Abbot Reginald's Gateway dating from the 12th century, the old stocks, the museum, to name but a few.

Evesham Horse Show is one of the main events of the year, this show is held on August Bank Holiday Monday, and preceding Saturday, horses and riders of national and international repute contest. A Horticultural Show is held at the same time.

There is a most up to date shopping centre in Evesham — Wednesday early closing day.

Adjoining the Tea Room and Car Park is the Abbey Park which runs alongside the River Avon, facilities for children include paddling pool, swings, roundabouts, spacious lawns, and fields for football, cricket, etc. For the energetic adults, tennis courts, bowling green, and for the not so energetic there are seats in the shade of trees along the banks. On the opposite side are the Workman Gardens and large putting green

The Tea Rooms are most popular with most attractive menus and highly experienced staff under the personal direction of Mrs. Pat Tolley. Novelties, children's toys, sweets, cigarettes, ice cream, etc. can be obtained on the premises, also tea, coffee, minerals, ice cream, sandwiches, etc. can be purchased from a Snack Bar.

Steamer Trips are run daily from Evesham to Chadbury Railway Bridge, approx. 7 miles return, from Evesham to Chadbury Lock, approx. 10 miles return, and from Evesham to Fladbury, approx. 14 miles return. Rowing Boats, Punts, Self Drive are always available.
