## Lock Keepers Cottage

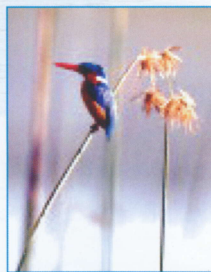

Evesham Lock hidden away from the Hurley-burley yet in the middle of town.

The trip has often been said to be **'the most scenic in the midlands'**

so come and see for yourself!

From Easter to Autumn the River Avon and it's scenery are continually changing, no two trips are the same. You may be fortunate and see a Kingfisher flash past or a Heron standing motionless on the bank. Not just the wildlife but some views are only seen from the River Avon Boat trip, Evesham Lock hidden away from the Hurley-burley yet in the middle of town. Hampton Ferry, the only Rope ferry in the country. Glovers 'Island' with its legend of fist fights long ago.

## The Boat Trip

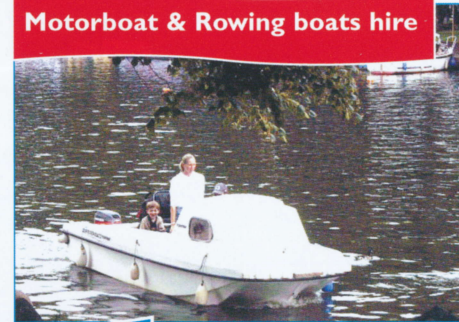

The boat is licensed to carry 60 passengers, has a fixed roof and side screens that can be lowered if it rains. We operate 25 minute and 45 minute trips from 11am. Longer evening trips can be arranged for private groups or parties. Although the boat is

not suitable for catering we can drop your group off at a cafe or restaurant for lunch, afternoon tea or a barbecue.

## Why not hire a Motor or Rowing boat?

Why not hire a boat Its great fun! Enjoy the wildlife and beautiful views on your own boat. There's a choice of motor boat or rowing boats.
