NORWEGIAN

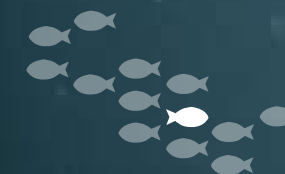

THE INTRODUCTION OF FREESTYLE CRUISING® CHANGED EVERYTHING.

We gave guests the freedom to create their own schedules.

To do exactly what they wanted to do, when they wanted to do it. Dine where, when and with whom they wanted. Dress the way they wanted for dinner. Even get off the ship the way they wanted. All this and more helped to completely revolutionize the cruise industry.

We're about to do it again.

**THE NEXT GENERATION OF FREESTYLE CRUISING IS HERE.**

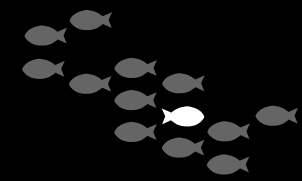

**AND THE CRUISE INDUSTRY WILL NEVER BE THE SAME.**

This is not just another new ship. This is a step forward. This is cruising re-imagined, with a ship unlike any other. This is world-class entertainment that is way beyond your expectations. A wide array of accommodations, with different levels of suites and staterooms having keycard-only access to private lounges, exclusive pool decks and the spa. And every oceanview stateroom is a Balcony Stateroom. Plus, discover the most diverse collection of restaurant choices ever assembled at sea. This is Norwegian Epic - the most spectacularly innovative ship in our fleet or, quite frankly, any other.

**The story begins.**

**WE'VE CHANGED THE FACE OF CRUISING ENTERTAINMENT. LITERALLY.**

If you think you've seen it all on a ship, we guarantee you haven't seen this.

For the first time ever, Blue Man Group is coming to the sea. It's entertainment

pandemonium and it's only aboard Norwegian Epic. Think vibrating techno music,

light shows, comedy, lots of paint and outrageously talented Blue Men creating a

wildly fun party atmosphere. The Blue Man Group is so amazing, they could easily

be reason enough to choose Norwegian Epic. But, of course, this party's just getting

started. We've got live entertainment all over the ship that will rock your world.

**BLUE MAN GROUP**

*We've changed the face of cruising entertainment and it's blue. Blue Man Group is an award-winning, unforgettable experience and nobody gets to see them on water except our guests aboard Norwegian Epic. The world-famous theatrical shows and concerts defy convention with an unexpected combination of music, comedy and multi-media theatrics. Want to know more? Check them out at [blueman.com](http://blueman.com)*

Check out Spiegel Tent with its one-of-a-kind Cirque Dreams® and Dinner show that's part circus, part Moulin Rouge. Laugh it up with The Second City® comedy troupe. Marvel at world-class performing acts in the Epic Theater. Or, be spontaneous and pop into any one of the other live acts we offer aboard this ship.

## ALL THE SHIP'S A STAGE.

The most amazing part – these aren't shows that rotate through one main theater on different nights of the week. These are different shows, each in its own venue, that you can catch almost any night of your cruise. Jam to some serious jazz and blues into the wee hours at Fat Cats. Dance under the stars at Spice H<sub>2</sub>O's open-air nightclub. And get into the high-roller energy at the Epic Casino. Or you can live out your rock star dreams in the privacy of your own stateroom when you check out a Gibson® guitar with our new Check-In, ROCK OUT!™ program. This party could go on all night. Be there.

**SOUTH BEACH STYLE, RIVIERA HEAT, VEGAS EXCITEMENT AND NCL INNOVATION.**

You'd have to travel the globe to experience all the hotspots just on board this ship. Although, with one of them being a 17° Ice Bar, hotspot may not be the right word. But no matter what you call them, you'll find 18 different places with great music, incredible drinks, delicious food and just the right vibe. There's so much going on, this party could last all night. It's okay. You can sleep in tomorrow.

**ICE BAR**  
*Taking "on the rocks" to a whole new level, this is one of only 14 true ice bars in the world. Always set at or below 17° F, you'll definitely want one of our cozy faux fur coats, a hat and gloves to enjoy your cocktail. There's no cooler way (pun intended) to beat the heat in the Caribbean.*

### 18 DIFFERENT PLACES TO CELEBRATE WHATEVER.

Welcome to Spice H<sub>2</sub>O. Pool by day. Sultry, Ibiza-inspired, adults-only beach club by night. The party is non-stop as the pool floor rises to become a dance floor and giant speakers keep everyone moving. Not your scene? Well, there are literally 17 other bars, lounges and clubs where you can get your groove on. Sports bar, ice bar, whiskey bar, martini bar, Sake bar, cigar bar, ultra lounge ... and, hey, where'd the night go?

**ONE DELICIOUS DECISION AFTER ANOTHER.  
IS THIS HEAVEN, OR WHAT?**

You're completely focused on the Caribbean. But once on board, your mouth may have other plans. Because with 17 extraordinary dining options, only Norwegian Epic offers up this exceptional culinary tour of the world. Consider the fresh-carved meats of a traditional Argentinean-inspired Churrascaria served in an upscale steakhouse. The flair of iron griddle masters working the largest Teppanyaki restaurant on water. And certainly nothing gets lost in translation at our signature French restaurant, family-style Tuscan trattoria and sensational sushi bar. Yet perhaps, tonight, you'll simply enjoy a five-course dinner with a five-star view on your own private balcony. It's not heaven. It's just Tuesday.

**TASTE**  
*Both the delicacies and the décor come together at this restaurant to create a big sensation. So it was only natural to call it Taste. Experience the pleasure of breakfast, lunch and dinner.*

LOVE THE FOOD. LOAD UP ON THE ATMOSPHERE.

A dash of drama. A dollop of romance. And some really amazing food. What more could you want? How about dining and dancing to live music in the sophisticated New York City-style supper club we call The Manhattan Room? Or dinner al dente in the Tuscan courtyard setting that is La Cucina? We pulled out all the stops when creating our latest and greatest line of truly unique signature restaurants aboard Norwegian Epic. But please, try not to stare at the spectacular surroundings for too long. Because you won't want to miss one delicious bite.

## DIM SUM AND THEN SOME.

Our unique take on Asian cuisine makes other cruise lines' seem like mere take-out. At Shanghai's, it's a masterful mix of traditional Chinese noodles, wok dishes, dim sum and more, all prepared in a lively open kitchen. For the freshest sushi and sashimi, there's Wasabi - the hottest thing, since, well, wasabi. Plus, you're right next door to our Sake Bar with a choice of premium sake and beer. And if you love the theatrics of Teppanyaki tableside, Norwegian Epic has the largest Teppanyaki restaurant at sea. They slice. They dice. They prepare your meal with ninja-like precision. **MORE, PLEASE.**

Sometimes you want the steak and the sizzle. That's why there's Cagney's Steakhouse and Churrascaria. Rare, medium or well done, the steaks, chops and the freshly carved meats are always done well. How about a big, juicy burger, an ice-cold beer and some bowling on the side? Head on over to O'Sheehan's Neighborhood Bar & Grill whenever the mood strikes. Then there are restaurants with made-to-order action stations. Restaurants with huge, so-much-more-than-salad salad bars. Even restaurants without the restaurant. We call that room service. **WE CALL IT A SHIP. YOU'LL CALL IT A SPA.  
A WATER PARK. A SPORTS CLUB.**

Welcome to the incredible world of Norwegian Epic, where we've taken having fun to the next level. This ship is whatever you want it to be with a huge, multi-slide Aqua Park, a spoil-me, pamper-me, first-class spa, a two-story Sports Complex, a fitness center complete with squash court and boxercise ring and places for kids of every age to hang out and have fun. As we said, it's the next generation of Freestyle Cruising.

[epic.ncl.com](http://epic.ncl.com)

HAVE A BLAST

**AQUA PARK**  
Get ready for the only Aqua Park like this at sea. It's three extreme twisting slides including The Epic Plunge - the only tube slide and largest bowl slide on water. It drops a heart-thumping 200 feet before spinning you through a vortex and out into the splashdown lane. Plus, with two main pools and a kid's pool, chilling out has lots of options.

**WE'VE GOT GAME.**

We've taken our Sports Complex to the next level. Actually that's two levels of challenging, exciting and never-before-seen activities. Grab your friends and family and show them your moves on our full-size basketball and volleyball court. Maybe it's a revenge game of dodge ball or a daring climb on the Spider Web. From scaling the heights on the U.S.-rated climbing wall to rappelling down the only rappelling wall at sea and so much more, the Sports Complex will keep everyone in the game.

**ACTIVITIES FOR ALL:**

- Full-size basketball court
- Hockey, dodge ball and soccer on multi-use sports deck
- U.S.-rated, 33-foot-high climbing wall
- First-ever rappelling wall at sea
- The Spider Web - a 24-foot-high climbing cage

## WE DARED TO BE DIFFERENT. ARE YOU READY?

Set spectacularly at the back of the ship with views all around, this adults-only scene has a pool, a huge LED screen, dynamic music and lounges galore. Add an ice-cold cocktail and you're set. In the mood for something more low-key? Step into a world of serenity at the first-class Mandara Spa and soothe your soul.
