## A COMPLETELY NEW CONCEPT FOR SOLO TRAVELERS

The Studios aboard Norwegian Epic make solo travel both comfortable and affordable, and include all the amenities you'd find in a traditional stateroom. A full-size bed, clean lines and a contemporary décor help create a relaxing atmosphere. And, by separating the sink and shower, the unique bathroom layout provides more personal space. It's thoughtfully designed living space, all in just 100 square feet. Plus, you'll also have private access to the exclusive Studio Lounge. It's the perfect spot to grab a cup of coffee and plan your day, get together with new friends for a cocktail, or enjoy a nightcap before heading to bed.

And, there's also plenty to see and do when you're ready to explore the ship. Enjoy 20 unique dining options. Live it up with 20 bars and lounges, including the only true Ice Bar at sea. Or hit the spa, the casino, or one of the two three-lane bowling alleys. Take in world-class

entertainment from Cirque Dreams™ and Dinner, The Second City®, Howl at the Moon and Legends in Concert. And for the first time at sea, Blue Man Group perform their exhilarating fusion of comedy, theatrics, percussion and paint, exclusively on Norwegian Epic.
